NURSING PROGRAM ADMISSION INFORMATION

- Applications are accepted for the following academic year beginning the fourth Monday in August.
- An academic year consists of a fall and the immediately following spring term.
- Admission is granted on a first-come, first-served, rolling basis once the application is complete and space is available.
- TEAS scores are valid for two years prior to the beginning of the academic year for which you are applying. For example, if you are applying for the Fall 2016 or Spring 2017 term, your TEAS scores are good if taken on, or after, August 15, 2014. In addition, you can only test twice in a calendar year. Please see chart below.

Academic Year	Academic Term	Earliest Acceptable Test Date
2016-2017	Fall 2016	August 15, 2014
	Spring 2017	
2017-2018	Fall 2017	August 15, 2015
	Spring 2018	
2018-2019	Fall 2018	August 15, 2016
	Spring 2019	

(over)

- The **Traditional RN Program** admits 48 students in the fall term and 48 students in the spring term of every academic year.
 - Students may apply for only one term (either fall or spring) within an academic year.
 - Students applying for the fall term after it is full will automatically be considered for the spring term as long as space is available.
 - Once both the fall and spring terms are full, a wait list is created.
 - Students must be eligible for admission to be placed on the wait list.
 - When space becomes available, students are moved into the first spot available (either fall or spring) regardless of the original term indicated on the application.
 - The wait list will be capped at 15. Once the waitlist is capped, students will no longer be reviewed for Nursing Program eligibility.
 - Students not moved from the wait list, or those who do not make the wait list, must reapply for the next academic year.

- The **LPN to RN Accelerated Program** accepts 24 students each academic year and begins in the fall term only.
 - Once the class is full, a wait list is created and eligible students are moved into spots as they become available.
 - The wait list will be capped at 10. Once the waitlist is capped, students will no longer be reviewed for Nursing Program eligibility.
 - Students not moved from the wait list, or those who do not make the wait list, must reapply for the next academic year.
