Policy No. 46

Mission Statement Review Policy

Effective Date: December 15, 2005

Revised: April 5, 2007

It is the policy of the Fairmont State University Board of Governors that Pierpont Community & Technical College and Fairmont State University will each review its mission statement every five years or as needed. If one decides to review its mission statement, the Board shall also consider the mission statement of the other before taking action. The intent of this policy is to ensure that any revision of a mission statement does not create gaps or overlap in the two mission statements, does not result in a lack of certain services, and minimizes direct competition.
