PROPOSAL. Write a brief abstract, not exceeding 100 words, which describes the overall content of the proposal.

This proposal reduces the total hours needed for a B. S. in Information Systems Management (ISM) degree from 128 hours to 120 hours beginning Fall 2013, and incorporates the new General Studies curriculum into the degree requirements. The effects of the proposed changes include the incorporation of 9 hours of courses from ISM major requirements to satisfy select attributes of the General Studies curriculum and a reduction of 6 hours in free electives.

Deletion of course(s) or credit(s) from program(s)

Total hours None deleted.

Addition of existing course(s) or credit(s) to program(s)

Total hours None added.

Significant course revisions and/or addition of new courses require the completion of the full, unabridged curriculum proposal which can be found in the Forms Repository.
